

H'Artworks Gallery and Workshop

Based in the Forum an old Methodist Chapel in Beaumaris – a beautiful building with wonderful light from the full length chapel windows.

Watercolours and watercolour pencils – An ten week course suitable for both beginners and intermediate.

The course will run on Wednesday afternoon 1pm until 4pm for ten weeks

Due to various commitments running painting holidays, the course this term will be the following dates,

January 17th and 31st

February 7th, 14th and 28th

March 7th, 21st and 28th

April 4th and the 11th

It is a very relaxed, flexible and friendly environment for people to “have a go”. The teaching is very person centred so will enable everyone to find out what they are capable of – and there is an element of one-to-one tuition involved.

We will do a new project every week or every 2 weeks. Other sessions cover the use of watercolours and there will also be an option to work with watercolour pencils, gouache and pastels should you wish to try these.

The cost of the course is £100 for 10 weeks, payment due on or prior to the start of the first session. Some equipment is available eg brushes, palettes and boards but you will need to buy materials for your own use. I can supply a list on request.
